

GOVERNMENT OF PAKISTAN
Ministry of Textile Industry
Research, Development and Advisory Cell

Islamabad: Monday 19th Jan, 2015

Subject: FIRST EVER TEXTILE SPECIFIC ONLINE BUSINESS PORTAL

Ministry of Textiles Industry launched its first ever textile sector specific business portal, the purpose of this site is to enhance business network, locally and globally for members related to textile sector.

2. Users can register themselves online, fill their profile, show case their products and get buying queries, it is more than a website; it is e-commerce solution for stake holders

3. It is requested association(s) to intimate their members to register at this site and create a dynamic online market place for textile holders hence global buyers can reach them.

Please visit www.paktextiles.biz and register with us today for free.
