

IRCA Registered

A (5-Day) "Occupational Health & Safety Management Systems Auditor/ Lead Auditor Training Course"

17-21 February 2014 at Marriott Hotel Karachi

(IRCA Certificated Course#: A-16830)

Small & Medium Enterprises Development Authority - **SMEDA** in collaboration with Pakistan Hosiery Manufacturers & Exporters Association – **PHMA** with the support of **bfz gGmbH** Germany are organizing Five days Lead Auditor training on Occupational Health & Safety Management System on the standard of **OHSAS 18001:2007** through Bureau Veritas Certifications – **BVC Pakistan**. The course is being organized keeping in view the importance of Health & Safety issues in diversified sector of industries and to achieve the objective of Green Productivity / sustainable development by deploying OHSAS standards. This (5-day) comprehensive training course is registered by the International Register of Certificated Auditors (**IRCA - UK**) and satisfies the requirements for registration with IRCA (UK).

Health and Safety performance is a key business performance indicator. It is now not enough to simply comply with the overabundance of legislation but to show that you are managing health and safety for improvement. For those who are keen to progress beyond legal compliance and improve the way their system operates, many companies are now turning to OHSAS 18001 as their method of choice, and as a means of demonstrating the systems' credibility to their existing and potential customers and to other interested parties.

Who should attend?

Senior & Middle Management, Health & Safety Professionals, Quality / Production / Compliance Professionals, Internal Auditors and the personnel who wish to pursue a career in the field of Health & Safety Management.
