apparelsourcing

July 24 - 26, 2012
Javits Convention Center
New York, NY

North America's Sourcing Destination for Apparel Garments and Accessories

The International Apparel Sourcing Show provides the right elements to make you successful:

- Access to the New York apparel market, North America's fashion capital and home to 5,000 retail and brand headquarters, showrooms, production and buying offices and wholesalers
- Meet influential buyers representing all distribution levels-- mass retailers, specialty chains, luxury stores and boutiques
- Connect with sourcing professionals actively seeking contract manufacturing, private label development and original design manufacturing services

Exhibit space is now available; apply early to ensure a premium location!
