Intertextile Shanghai Apparel Fabrics
22 – 25 October 2012
Shanghai New International Expo Centre, Pudong, Shanghai, China

Meet new business contacts worldwide- More than 62,000 quality buyers and decision makers

Today, the international textile market accounts for US\$300 billion and is predicted to double by 2015. As the textile export industry continues to grow, so will the level of competition. The only way forward is for apparel fabrics and accessories producers to support innovation, advance product quality and invest in marketing. Intertextile Shanghai Apparel Fabrics is the most cost effective international business solution.

3,106 Exhibitors from 23 countries and 62,483 visitors from 111 countries and regions in 2011.

China's industry exports account for two-thirds of world textile market.

The fair is strategically located in Shanghai, the heart of China's business centre, which is now the world's largest textile and garment supplier. In 2010, China hit a record export high of USD 206.53 billion, a 24% increase year-on-year. Following behind are emerging markets like Bangladesh, Vietnam, Thailand and Cambodia.
