

E- Learning Workshop on Social Compliance system based on customer code of conducts

Technical Support Cell, Pakistan Hosiery Manufacturers' and Exporters Association in collaboration with Small and Medium Enterprises Development Authority is organizing half day E-workshop on "Social Compliance system based on customer code of conducts". This workshop is being organized keeping in view the importance of the topic and the raised concerns of customers in EU and USA due to recent accidents in Pakistan. This program is designed on a practical approach to provide maximum benefit to the participants. Program contents include general principals of COC's and effective implementation procedures.
