P R E F A C E

There has been a persistent demand from various stakeholders that updated operational instructions issued under the Export Finance Scheme (EFS) since its inception should be summarized and published in consolidated form for their information and guidance. In order to facilitate the stakeholders, all instructions have been summarized and incorporated in the shape of book for general guidance and benefit of bankers and exporters intending to avail export finance facility under the Scheme.

The instructions on the subject are invariably issued to commercial banks and changes/amendments are also intimated from time to time to them. This publication aims at providing the exporters with an up-to-date compendium on terms and conditions of the Scheme. It would be advisable that exporters should consult their bankers for guidance with reference to specific instructions, already available with them or with reference to any particular problem in case it is not clearly comprehended by them or for ascertaining fresh instructions on the subject so as to avoid irregularities of the nature indicated in this book and its consequential effects.

This book should in no way be construed as a substitute for the circulars on the subject and State Bank of Pakistan reserves the right to amend or revise the contents of the book as & when deemed necessary.

We would like to acknowledge and appreciate the valuable feedback of Development Finance Support Department and SBP BSC Offices on the initial draft of the book.

● Export Finance Scheme – An Introduction

The Export Finance Scheme (EFS) is in operation since 1973 with the objective to boost exports of the country. Under the scheme short term financing facilities are provided to exporters through Banks for exports of all manufacturing goods especially value added products with the exception of basic & primary commodities/raw materials as mentioned in negative list issued vide BPRD Circular No. 5 dated February 24, 2003. It operates in two parts viz Part-I (Transaction Based) and Part-II (Performance Based).

- **EFS Part-I:** Part-I is a transaction based facility. The commercial banks provide export finance to the exporters on case-to-case basis at pre-shipment and/or post-shipment stage against Firm Export Order/Contract/LCs. The exporter has to show export proceeds equivalent to the loan amount as performance. The tenor of the facility is up to 180 days with a rollover option for further 90 days subject to showing performance equivalent to 117% of the borrowed amount in case of availing rollover option.
- **EFS Part-II:** It is a performance based facility, where entitlement of exporter for revolving export finance limit is equal to 50% of the export proceeds realized through export of eligible commodities in the preceding financial year. Export performance of an exporter is matched annually against total loan availed during the financial year on daily product basis. The exporter has to realize export receipts from the export of eligible commodities, excluding any exports for which finance is obtained under Part-I of the Scheme during the relevant period. The maximum tenor of the loan under Part-II of the scheme is also 180 days which could be rolled over for another 180 days subject to showing at least 70% shipment of loan availed in initial 180 days.

Mark up Rate: Currently, mark-up rate under EFS for the borrower stands at 11 % (banks get re-finance from SBP at 10% and are permitted a maximum spread of 1%). The mark-up rate has been linked with the weighted average yields on six months T-Bills w.e.f. 2001.

To further incentivize the financing under EFS (Part-II) the rates under EFS Part-II has been linked with export performance. Exporters giving higher performance under EFS Part-II can avail mark up rate rebate ranging from 0.5-1.5 percentage points depending upon the level of performance achieved.

Eligibility: Under EFS all major value added commodities exported from Pakistan are eligible for financing except those mentioned under negative list under the scheme. Therefore, any exporter who meets the lending criteria of a bank can avail financing for eligible commodities.

Facility for Indirect Exporter: EFS Facility is also available to the input suppliers/manufacturers of the Direct Exporter, termed as Indirect Exporter (IDE) on the basis of Standardized Purchase

Order (SPO) or the Inland Letter of Credit (ILC) to be established by the Direct Exporter against the particular Export Order/Contract/Letter of Credit. IDE will be eligible to avail finance from banks against ILC or SPO, to the extent of the amount mentioned therein. The period of financing by bank to an Indirect Exporter shall be determined as per the terms of the relevant ILC/SPO, but subject to a maximum of 120 days.

Linkage of Overdue Export Proceeds with EFS: EFS has been linked with overdue exports position of an exporter. If overdue export position of an exporter is greater than 5% of the previous year's exports shown in EE-1 statements, the exporter would not be entitled to avail the EFS facility till such time that the overdue position is reduced to the 5% benchmark level. Exporters availing only the EFS Part-I facility are also required to submit the prescribed EE-1 statements. For this purpose each exporter is required to give a Certificate on a prescribed Form on a six monthly basis by 31st March & September 30, each year; which will remain valid up to next six months.

Credit Risk: Banks take the credit risk under the scheme, and SBP takes exposure on banks. The refinance extended by SBP-BSC offices to the banks is recovered on the due dates as per repayment schedule from the account of the banks/DFIs. In case the borrower fails to make repayment of the loan on the due date, the bank is entitled to charge normal rate of mark up on such overdue principal amounts besides taking other actions to recover the same. Therefore, the repayment of EFS loans to SBP is not dependent upon the recovery of loan from the borrower. In this way, ultimate credit risk under the Scheme is borne by the lending banks.

Implementation and Enforcement Mechanism of the Scheme: SBP has the responsibility of general policy making and monitoring of Export Finance Scheme. SBP allocates the annual refinance limits to the banks and review them on quarterly basis. SBP BSC implements the scheme and conducts on-site verification of banks' refinance cases through its field offices across the country. The banks disburse funds under the scheme and claim reimbursement there-against from SBP BSC field offices to the extent of limits assigned to each bank by SBP. The SBP BSC field offices process the refinance requests within 48 hours, maintain the loan accounts and recover principal amount and profits etc. on the respective due dates. Exporters having availed refinance under the scheme have to meet the required level of export of eligible goods and realize export proceeds. In case of any default/violation of prescribed instructions or non/short/delayed shipment/performance, the exporters/banks are liable to pay prescribed fines.

Incentives under Prudential Regulations: Finance provided under EFS is exempted from certain restrictions fixed under Prudential Regulations for Corporate/Commercial Banking viz. limit on exposure to a single person/group (Prudential Regulations R-1), per party limit on clean facilities (Prudential Regulations R-4), and limit on ratio of bank borrowing to the capital & reserves (free of losses) of the borrower (Prudential Regulation R-5). *****

II. Export Finance Scheme (EFS) – Part-I

EFS Part-I is a transaction based facility. Banks having EFS limits provide export finance to the exporters at pre-shipment and/or post-shipment stage on case to case basis against Export Letter of Credit/Contract for export of eligible goods. Indirect exporter/manufacture, who supply inputs to direct exporter can also avail the facility against Inland Letters of Credit/Standardized Purchase Order established by direct exporter. For Direct Exporter maximum period of financing is 180 days with a rollover option for further 90 days subject to showing performance equivalent to 117% of the borrowed amount in case of availing rollover option. Indirect Exporter can avail the facility up to 120 days. However, where facilities against a particular L.C. / contract/firm export order are availed by both Direct and Indirect Exporter, the combined period shall not exceed 180 days. Exporter is required to submit proof of shipment within 30 days from the expiry of loan period in case of pre-shipment loan, and provide proof of realization of exports proceeds in 210 days (270 days for carpet exporters) from the date of shipment.

1. Operations of the Scheme under Part-I

- 1.1 Finance from banks under Part-I of the Scheme is available to Direct Exporters to the extent of 100% of the value of a firm export order / contract / letter of credit both at pre-shipment and post-shipment stages against eligible goods.
- 1.2 Indirect Exporters who supply inputs i.e. materials and goods to a Direct Exporter to be used for further processing and / or to be exported, are also eligible to avail finance from banks under the Scheme at pre-shipment stage. The Direct Exporter, who has a firm export order / contract / letter of credit may request his bank to open an Inland Letter of Credit (ILC) / or the Direct Exporter may issue Standardized Purchase Order (SPO as per specimen at Annexure “E”) in favour of the Indirect Exporter i.e. domestic supplier. Indirect Exporter will be eligible to avail finance from banks against such Inland Letter of Credit (ILC) or Standardized Purchase Order (SPO), to the extent of the amount mentioned therein.
- 1.3 The Direct or Indirect Exporter, as the case may be, shall approach his bank for availing facilities under EFS indicating his financial needs as per prescribed Form “B” or “C” respectively upon establishment of a letter of credit or on receipt of a firm export order in case of a Direct Exporter, or upon establishment of an Inland Letter of Credit or on issuance of a Standardized Purchase Order in his favour by a Direct Exporter, in case of an Indirect Exporter.
- 1.4 After the finance has been disbursed by banks, they may make an application to the concerned office of the SBP BSC indicating particulars of Direct / Indirect exporters to whom the bank has granted finance and against which now they intend to avail refinance as per Form “D”. Each request for reimbursement for refinance will be accompanied by a

Demand Promissory Note duly executed by the exporter concerned in favour of the bank and endorsed in favour of concerned SBP BSC office as per 'Form-A'.

- 1.5 The total amount of financing extended by any bank against firm export order/contract or letter of credit to both Direct and Indirect exporters shall not exceed the total amount of the firm export order / contract or letter of credit. The combined period of financing against an export order to the Direct Exporter as also to his supplier(s) i.e. Indirect Exporter shall not exceed the permissible period of 180 days from the date of first disbursement. The period of financing by bank under the Scheme to an Indirect Exporter shall be determined as per the terms of the relevant Inland Letter of Credit / Standardized Purchase Order, up to the period mentioned therein but subject to a maximum of 120 days. The bank shall, however, ensure that the total amount withdrawn by the Direct Exporter and value of ILC/ SPO established on his behalf does not exceed the value of the export finance admissible to the Direct Exporter against the particular Export Order/Contract/Letter of Credit.
- 1.6 Banks shall extend the financing facility under the Export Finance Scheme to Direct/Indirect Exporters for pre-shipment and post shipment (to Direct Exporter only) basis on production of the following documents by the exporter concerned :-

Nature of Financing	Direct Exporter	Indirect Exporter
A. Pre-shipment	<ul style="list-style-type: none"> - Firm Export Order/ Contract/Letter of Credit. - Application/undertaking as per Form B. - D.P. Note 	<ul style="list-style-type: none"> - Inland Letter of Credit /Standardized Purchase Order. - Application/Undertaking as per Form C.
B. Post-shipment	<ul style="list-style-type: none"> - Firm Export Order/Contract/Letter of Credit along with acceptance from buyer in case of discrepant documents. - Application/undertaking as per Form B. - D.P Note - Original duplicate copy of Form E - Bill of Lading /Airway bill. - Invoice 	No facility.

- 1.7 Commercial banks, after providing finance to the Direct / Indirect Exporters shall become eligible to avail refinance from the SBP. The concerned office of the SBP BSC will grant refinance against financial facilities provided by the bank for pre/post shipment stage, to the banker of the Direct Exporter or Indirect Exporter, as the case may be, and release the amount accordingly within 48 hours on receipt of the refinance claim as per Form "D" complete in all respects and D.P Note executed by the exporter concerned, as explained in Para 1.4 above.

- 1.8 The scrutiny of documents to be submitted by exporter will be done by the bank concerned. The on-site verification team of SBP BSC and inspectors of Banking Inspection Department or any other authorized officer of the State Bank of Pakistan, while making a regular or special inspection of a bank, shall examine the cases of finances of the bank under the Scheme.

2. Submission of required Documents

- 2.1 The Direct exporter shall be liable to submit the proof of shipments to the bank concerned against the loan, evidencing that the shipment had been made against the relevant Firm Export Order/Export Letter of Credit within 30 days from the expiry of loan period to respective bank from where he availed of export refinance facility under the Scheme. After examination of shipping documents, the bank will submit Annexure-‘D’ by reporting all shipment made in validity of the loan period within 7 days to respective SBP BSC Office.
- 2.2 The Direct exporter will submit delayed shipment shipping documents to bank within 30 days from the date of last delayed shipment and thereafter bank will report all delayed shipments to respective SBP BSC Office on submission of additional Annexure- ‘D’ in 7 days. Thus in all only two Annexure-‘D’ will be submitted against one demand loan.
- 2.3 In case of failure to submit shipping documents within stipulated time period as mentioned above, fine as prescribed under the Scheme will be recovered from exporter in this regard. However, no fine on account of late submission of Annexure-‘D’ will be charged from bank.
- 2.4 The loan granted to the Indirect Exporter, along with mark-up thereon, shall be adjusted upon delivery of the inputs and payment of documents drawn under the ILC/SPO or at the expiry of the period of 120 days, whichever is earlier. The Indirect exporter shall be under obligation to produce documents, evidencing utilization of the loan to the banker of the Direct Exporter within 15 working days of the supply of goods to the Direct Exporter.
- 2.5 The shipping documents required to be submitted by the Direct /Indirect Exporters to the bank concerned are as under:-

	Direct Exporter	Indirect Exporter
Pre-shipment	<ul style="list-style-type: none"> - Original duplicate copy of Form “E” - Bill of Lading / Airway bill (non negotiable copy) OR - FCRs, provided that document is against L/C and Mate’s Receipts (M. R. – where shipment is by sea) or Export General Manifest (EGM – 	<ul style="list-style-type: none"> - Invoice - Truck / Railway receipt. - Goods Received Note GRN / Delivery Challan signed by the buyer.

	<p>where shipment is by air),</p> <ul style="list-style-type: none"> - E.P.R.C. to be submitted within 210 days (270 days for carpet exports) from the date of shipment of an export bill, or within 30 days of expiry of the period prescribed by our Exchange Policy Department. 	
Post-shipment	<ul style="list-style-type: none"> - E.P.R.C. to be submitted within 210 days (270 days for carpet exports) from the date of shipment of an export bill, or within 30 days of expiry of the period prescribed by our Exchange Policy Department. 	NA

- 2.6 In case shipping documents are not received by the bank from the exporter concerned, on or before 30 days from the expiry of loan period, the bank shall serve a notice to the exporter concerned at least 7 days before expiry of 30 days showing intention of deducting fine on account of non-shipment due to non-submission of shipping documents against the loan availed by it. Despite the serving of the notice as prescribed, if the shipping documents are not received by the bank concerned on or before 30 days time limit and subsequently resulted in non-submission of Annexure D to respective SBP BSC Office within stipulated period, the office shall recover the fine treating the case as that of non shipment.
- 2.7 The exporter concerned shall be entitled to refund of fine so recovered, on submission of the relevant documents and after adjusting the fine that may be applicable for short shipment or delayed shipment and delayed submission of shipping documents, as prescribed in the Scheme. The bank concerned shall prepare a resume of such exporters qualifying for refund as and when documents are submitted by them and would approach concerned office of SBP BSC for claiming refund of fine (as per Annexure – F) earlier passed on to it who will after scrutiny of the information, refund the same to the bank concerned, if found justified. The bank would be liable to pass on the benefit of refund to the exporter concerned on the following working day, without any delay.
- 2.8 While the export of the commodity, against a Firm Export Order/ Export Letter of Credit, shall remain the responsibility of the direct exporter, the indirect exporter would be under obligation to supply the required inputs in accordance with the terms of the ILC/SPO, failing which he shall be liable for fines under the Scheme. Payment of such fines shall, however, not absolve him for his liabilities to the Direct Exporter.
- 2.9 On deliveries of the domestic inputs and receipt of payment by the supplier i.e. indirect exporter, the amount(s) of the finance earlier granted in his favour shall be adjusted. Likewise as the Direct Exporter would have received inputs from his designated Indirect Exporter, as per terms of ILC / SPO the amount disbursed by his bank, to the bank of Indirect Exporter, shall become a loan liability of the Direct Exporter as per normal lending practice.

- 2.10 It shall be obligatory on the part of the Direct Exporter that all the ILCs established or SPO issued in favour of IDEs are in relation to the supply of inputs for export and would contain the name of the exporter and Number of firm export order / contract / letter of credit. The financing bank of the Indirect Exporter shall be under obligation to certify that the facility availed by the Indirect Exporter was covered by an export order / contract or letter of credit of the Direct Exporter and proof of shipping there-against may be collected from the banker of the Direct Exporter in this regard.
- 2.11 The documents required to be submitted by the bank to the concerned office of SBP BSC as evidence of shipments are as under:-
- a) Annexure – “D” (to be submitted within 7 days from the expiry of period as mentioned in Para 2.1 and 2.2 above) as the case may be.
 - b) E.P.R.C. to be submitted within 210 days (270 days for carpet exports) from the date of shipment of an export bill, or within 30 days of expiry of the period prescribed by our Exchange Policy Department for realization of the export proceeds, failing which cases of non realization will be reported by the bank to the concerned office of State Bank for appropriate action under the Foreign Exchange Regulations.

3. Substitution of Export LC/Contract

- 3.1 In case Direct Exporter fails to make shipment under the relevant Firm Export Order / Export Letter of Credit/Contract on the basis of which finance / refinance has been availed by him, he shall be under obligation to produce shipping documents evidencing shipment of the export of same or any other eligible commodity valuing the amount of loan, in respect of another Firm Export Order / Export Letter of Credit. The Direct Exporter will, however, undertake and confirm separately that he has neither availed any finance under EFS against any such new export order/contract / letter of credit nor has reported or would report any entry of relevant “E” Forms already utilized by him under Part II of the EFS. The Bank concerned is authorized to accept such substitution offered by the Direct Exporter. A request in this regard shall be submitted by DE to his bank along-with submission of shipping documents.
- 3.2 The Direct Exporter shall be eligible to obtain finance against a Contract or L/C partially and substitute any other export under the same contract or L/C for showing it under another loan of Part I or to use it for reporting performance under Part II provided no E-Form is used simultaneously under both parts of EFS so as to avoid duplicate financing under the Scheme.
- 3.3 No facility of substitution is available to the Indirect Exporter in respect of supply of inputs to the Direct Exporters.

4. Extension in Loan Period and Enhanced Performance Requirements

- 4.1 As per SMEFD Circular No.04 of 2009, the facility under Part-I of the Scheme is also available for an extended period of 270 days to exporters provided they show enhanced export performance. However, banks will have to adjust the finance within a maximum period of 180 days, and rollover is allowed for an additional period of 90 days, provided that shipment has been made by the exporters within a period of 180 days after withdrawal of finance. In case of export finance already availed of by exporters under Part-I of the Export Finance Scheme, banks may allow an additional period up to 90 days for repayment of export finance availed of for export of all eligible commodities, except where export proceeds have been realized earlier by the exporters.
- 4.2 The exporter/bank desiring rollover of the facility shall be under obligation to submit Annexure-“D”, as prescribed under the scheme within a maximum period of 180 days of availing of the finance giving therein the particulars of shipment. The concerned SBP BSC Office shall allow rollover of refinance for a period of 90 days against the already submitted loan documents.
- 4.3 In view of the prime objective of promoting exports, the export performance requirements has been increased i.e. a) the exporters will get finance up to 85% of the value of firm export order/contract/letter of credit and will be required to make shipments equivalent to 117% against refinance availed for 270 days from the export of eligible commodities under Part-I (pre-shipment), b) in case of post shipment, exporters will be eligible to avail 85% refinance against the respective shipment.
- 4.4 In case an exporter prefers to remain in the old system, he can avail export refinance facility for a maximum period of 180 days under existing terms and conditions.

5. General Guidelines and Important Notes under Part-I of the Scheme

Some important tips for exporters / banks while availing / granting facilities under the Scheme and submission of prescribed documents there-against are as follows :-

- i) While scrutinizing the loan application, the bank shall ensure that exporter is availing the loan against a commodity which is eligible for exports under EFS. For this purpose, the HS Code for each commodity as mentioned in Form “B” and Form “C” shall be compared with the Negative list and if the code is not appearing in the Negative List, the commodity for which facility is being sought shall be eligible under the Export Finance Scheme.
- ii) A stamp should be affixed invariably on the original copy of a firm export order / contract / letter of credit indicating the refinance loan No. and amount allowed by SBP BSC subsequently for record purpose.

- iii) In case, any exporter has applied for finance against a firm export order / contract / letter of credit which has already availed finance / refinance in part, it must be ensured that the exporter has affixed a stamp

Utilized for refinance under Demand Loan (D.L.)
No. _____ dated _____

On such firm export order / contract / letter of credit duly countersigned by the authorized signatory of the bank through which Demand Loan has been obtained. It must also be confirmed that loans being availed of are covered under the above contract / letter of credit/firm export order.

- iv) The bank shall keep original and a photo copy of firm export order / contract / letter of credit with endorsements on its back page for record purposes for the period as prescribed under the Scheme.
- v) It shall be ensured that no finance is provided to an exporter for any amount of advance payment already received by him under a firm export order / contract / letter of credit.
- vi) The Direct Exporter is allowed to substitute any firm export order / contract / letter of credit with another export order / contract / letter of credit in respect of an eligible commodity only. But it will be mandatory on the exporter to expressly mention that finance has not been availed by him against the same from any other bank. In case any finance has been availed of or that document has been used for substitution in a loan earlier, the exporter will give particulars thereof as also subsequently furnish particulars of E Forms used for the purpose to the bank concerned.
- vii) The monitoring of loan will be on the basis of E Form number and the bank will ensure that one shipment utilized against a particular E Form is not included for reporting substitution under another firm export order / contract / letter of credit or the entry involved has not been / will not be reported for export performance under Part-II.
- viii) The stamp or date of "Shipped on Board" on Bill of Lading or flight date as shown on Airway bill will form the basis for determining actual date of shipment for calculation of period of delay in shipment under the Scheme, if any. However, where shipment is effected from a Dry Port, the date of receipt for shipment as appearing on shipping bill or the date of custom clearance on duplicate E Form appraised by custom authorities at Dry Port, as the case may be, will be taken into account. It is understood that the gap between the two dates shall not be abnormal in normal circumstances.
- ix) The banks are required to repay the refinance on realization of proceeds in full or part thereof as the case may be, within three working days from such realization. Refinance shall be repaid by bank from its own sources on expiry of the maturity period of the loan. If the bank fails to do so, the concerned office of the SBP BSC shall recover the same on due date by debit to its account as is done at present. However, where repayment has

been made by exporter before expiry of the loan, the same shall be repaid to concerned office of SBP BSC within three working days from repayment made by the exporter. For this purpose the period will start from the receipt of such payment but will be exclusive of the date of its repayment to SBP BSC office. In case of default in repayment there will be no grace period and fine for the entire period for which the repayment was delayed will be charged at the prescribed rate. Intimation regarding repayment, giving particulars of respective demand loan shall be promptly made to the concerned office of the SBP BSC. Efforts shall also be made for prompt communication among different branches of the bank concerned with the branch dealing with respective office of the SBP BSC.

- x) The bank will not ask the exporter for substitution of firm export order / contract or letter of credit in cases where:-
- a) A commodity is replaced with another eligible commodity through such amendment, acceptable to both exporter and his client abroad.
 - b) Rates / quantities / specifications are modified by the buyer under any amendment in firm export order / contract or letter of credit or in such case, though not covered by any amendment where buyers acceptance has been received by the bank.
 - c) The exporter has shipped the goods against another firm export order / contract / letter of credit and confirmed that “neither any refinance has been availed of, nor will be availed of against specific E Form in any other loan under Part-I. Likewise export made under the specific E-Form will not be utilized for performance under Part-II”.
- xi) It will be obligatory on the part of the exporter to negotiate and realize the export proceeds under a specific E Form through the bank from which he has availed of refinance loan(s). However, in case circumstances do not permit realization of proceeds under a specific E Form through the bank which had issued the same, the realizing bank will realize and pass on the amount realized to the E Form issuing bank, promptly but not later than 3 working days of receipt of funds by it. Such proceeds when realized will be credited in the accounts of the exporter by the receiving bank only upon a specific NOC of the E-Form issuing bank. In that case too, the bank issuing NOC will be held responsible for delay in repayment of amount of refinance loan involved, if any.
- xii) The date of realization for the purpose of repayment of finance shall be the date of receipt of telex, advice or swift message by the Head Office or Principal Office or Zonal Office of a bank, however overnight receipts of such telex / advices / messages will be considered as receipts in the next working day in Pakistan. The export proceeds shall be appropriated within three working days towards liquidation of refinance loan. The Head Office / Principal or Zonal Office should ensure that it passes credits immediately to the concerned branches within a reasonable period of time. The date of liquidation of refinance loan shall be exclusive of the grace period.
- xiii) The bank should use the following suggested check list of documents preferably for scrutiny of cases under EFS.

III. EXPORT FINANCE SCHEME PART-II

EFS Part-II is a performance-based export financing facility. Under Part-II an exporter's revolving export finance limit equivalent to 50% of export proceeds realized through export of eligible commodities in the preceding financial year (July-June basis) is fixed on annual basis. The exporter is free to utilize the facility within entitlement of limit for the whole year. Maximum period of a specific loan is 180 days with rollover facility subject to meeting at least 70% shipment requirement of already availed loan. To fix fresh limits based on previous year's export performance for exporters having outstanding finance under the Scheme after 30th June, total borrowing availed under the scheme is required to be adjusted on 31st August each year. Export performance of an exporter is matched annually against total loan availed during the financial year on daily product basis.

1. Pre-requisites and procedure of Entitlement of Limit

- 1.1 The bank will give export finance limits to the exporters on the basis of export performance measured by the export receipts during the previous financial year (July-June basis) against export of eligible commodities. An exporter is entitled to avail limit of up to 50% of such export performance. To obtain this facility, an exporter shall apply to his banker in triplicate of Form EE-1, the copies being marked as "original", "duplicate" and "triplicate". The banker shall verify the entries in the application and authenticate the correctness of the entries on all the copies. No bank shall authenticate more than three copies of the Form EE-1 in respect of any exporter for any period. The bank shall allow a limit to the exporter on the above basis and send all copies of Form EE-1 in respect of each case to Foreign Exchange Operations Department (FEOD) of the respective office of SBP BSC for verification of realization of proceeds. After verifying Forms, the concerned FEOD shall return the original and duplicate copies to the concerned bank and retain the third copy.
- 1.2 An exporter may obtain finance limit from more than one bank to the extent of 50% of the export proceeds realized through each bank during preceding year. The limits may also be switched between any two banks, if the exporter so desires, with the consent of both the banks in which case the exporter shall submit all copies of the Form EE-1 duly authenticated by the bank through which the proceeds were realized along with bank's NOC, to the bank from which the finance is desired to be obtained and declare that he has not obtained any export finance from the former bank. Similarly, by getting an NOC from sanctioning/verifying office, limits can be transferred from one SBP BSC Office to other SBP BSC Office subject to the condition that no duplicate financing is involved.

- 1.3 As and when the bank extends finance to exporter after fixation of entitlement of limit as mentioned above and wishes to obtain refinance from the SBP BSC Office, it shall, besides the usual documents, send to the concerned office, duly authenticated duplicate copy of Form EE-1 of the exporter concerned retaining the original for its record and subsequent inspection.
- 1.4 The borrowings of a bank under Part-II of the EFS from SBP BSC shall not exceed at any time the total amount lent to the concerned exporter. For any default on this account the bank shall be liable to pay fine as prescribed under the scheme.
- 1.5 In case part or full payment of refinance loan under EF Part-II is made by the borrower before its due date, the bank shall remain liable to repay the amount involved within same day.
- 1.6 Direct Exporter (DE) shall be entitled to avail finance by furnishing an-undertaking to the bank as per Form UT-DE-II The DE may also authorize their banker to open ILC(s) in favour of IDE(s) for making supplies of inputs to him as per procedure laid down under Part-I of the Scheme, within the prescribed limit as per Form DE-3. The amount of the limit availed of by the DE as also the amount of ILC(s) opened in favour of IDE(s) for supply of inputs, when taken together shall not exceed his entitlement of limit at any point of time. It may however be ensured that in individual instance the loan shall not remain outstanding beyond a maximum period of 180 days.
- 1.7 The Direct Exporter shall be under obligation to match export performance annually against total loan availed during the financial year on daily product basis including finance availed by his Indirect Exporter(s) under ILC(s) opened/ SPO(s) issued by the DE. The export performance shall be provided by realization of export receipts from the export of eligible commodities, excluding any exports for which finance is obtained under Part-I of the Scheme during the relevant period.
- 1.8 On receipt of an application from the Direct Exporter, on Form "DE-3" requesting for grant of finance to the specific Indirect Exporter(s), for supply of domestic inputs, the financing bank shall open ILC(s)/issue SPO(s) in favour of the said IDE(s) by reducing the entitlement of the DE under Part-II of the Scheme. The bank shall also provide financing facilities, to the extent of his balance entitlement of limit to the DE as per his manufacturing requirement after adjusting amount(s) of ILC(s) issued in favour of the Indirect Exporter.
- 1.9 Upon submission of application on Form "IDE-2" by the IDE, the banker of the DE or IDE, as the case may be shall provide finance to the extent of the amount of the ILC (s) to the IDE concerned upon production of the requisite documents on the basis of which financing facility under Part I is available to the IDE.

- 1.10 The refinancing to extent of the amount released by the financing bank of the direct exporter(s) to the indirect exporter(s), against ILC(s) shall be provided by the concerned office of the SBP to the banker of the indirect /direct exporter, upon submission of the following documents:-
- Refinance application on the prescribed Form DE-3
 - Certified copy the relevant ILC/SPO along with amendments thereto, if any.
 - DP Note of the Indirect Exporter covering the amount of the ILC(s)/SPO(s), dully endorsed in favour of SBP
 - Undertaking of the Indirect Exporter on the prescribed Form UT-IDE-II
 - Schedule of deliveries.
- 1.11 IDE(s) would be under obligation to supply the required inputs on a case by case basis in accordance with the terms of ILC/SPO, failing which he shall be liable for non-shipment fine as prescribed under Part-I. Payment of such fines shall, however, not absolve IDE(s) from his/their liabilities to the DE.
- 1.12 The loan granted to the indirect exporter(s) along with mark up thereon, shall be adjusted upon submission of the documents evidencing delivery of the inputs and negotiation of ILC(s)/SPO(s) involved. The Indirect Exporter(s) shall be under obligation to produce the following documents to the banker of the direct exporter, evidencing delivery/acceptance of the inputs by him to the direct exporter.
- Invoice in favour of Direct Exporter.
 - Goods Receipt Notes/Delivery Challan duly signed by the Direct Exporter, showing date and quantity delivered to the direct exporter as per terms of the delivery.
- 1.13 On production of documents mentioned in Para 1.12 above, evidencing deliveries of the inputs, the amount(s) of the loan(s) earlier granted in favour of Indirect Exporter(s) shall be transferred in the name of the Direct Exporter and all mark up charges from the date of said transfer shall be borne by the Direct Exporter. The refinance earlier availed by the bank of the Direct Exporter(s), against disbursement(s) released to Indirect Exporter(s) shall continue to remain outstanding till the monitoring period or up to maturity of loan whichever is earlier.

2. Monitoring of Export Performance

- 2.1 Export performance of an exporter is matched annually against total loan availed during the financial year on daily product basis. The exporter has to realize export receipts from the export of eligible commodities, excluding any exports for which finance is obtained under Part-I of the Scheme during the relevant period. In case of failure to

show export (non/short performance), fine as prescribed under the Scheme shall be imposed. The performance of the exporter shall be watched by the bank concerned by obtaining Form EF -1 from concerned exporter. Likewise the process of verification of Form EE-1, Form EF-1 also is submitted in triplicate to FEOD for verification after close of financial year. After verification of these Forms by FEOD, the original and duplicate copies shall be returned to the bank concerned, the third copy shall be retained by FEOD. The duplicate copy shall be submitted by the bank to the respective office of SBP BSC by 31st August.

- 2.2 As banks are aware that some of the entries reported in EF-1 statement are marked for post facto verification pending submission of report of realization of export proceeds. These entries are based on exports against confirmed & irrevocable L.C without reserve made up to 30th June but export proceeds are not realized up to said date. Banks will report such entries after actual realization on the Supplement to EF-1 statement for verification of FEOD latest by the 30th November on the respective EF-1 statement.
- 2.3 In order to save an exporter from unnecessary imposition of fine on account of shortfall in performance at the time of matching his export performance with his borrowing product under Part-II of the Export Finance Scheme , the SBP BSC Office shall serve upon the banker of the exporter 15 days notice prior to levying of such fine indicating to the exporter in his export performance on which fine is to be levied to enable exporter to arrange to transfer the required amount out of his excess/surplus performance, if any, with some other bank(s) falling in the jurisdiction of other office(s) along-with NOC from such office where excess/surplus performance is available to the said exporter. No NOC will, however, be required to be submitted to the concerned SBP BSC Office for the purpose of matching export performance of an exporter with his borrowing products in respect of his combined export performance from all the banks of the exporter falling within the jurisdiction of the same office.

3. Performance Based Mark-up Rate

To further provide incentives to the exporters with high performance under Part II of the Scheme, a lower mark-up rate has been put in place for those exporters who achieved excess performance from monitoring year 2008-09 onward as per procedure laid down in SMEFD Circular No.06 dated March 09, 2009. The exporters are required to claim benefit of mark-up rate differential from SBP BSC through their bank within one year after the performance year, provided they have no export proceeds overdue bills.

4. Rollover Facility

Exporters availing financing facilities under Part-II of the scheme shall continue to submit EF-1 statement duly verified by the respective offices of FEOD, SBP-BSC within two

months from the completion of the financial year, as at present. However, while applying for rollover of loans under Part II after completion of the initial 180 days or at an earlier date, exporters shall be required to submit a statement showing details of shipments of eligible goods [as per Form - EP] to the extent of 70% of the refinance already availed against which roll over is being sought. SBP-BSC shall not allow the rollover facility unless shipments to the extent of 70% of refinance availed is established. Banks will be required to forward duly authenticated copy of the said statement of shipments to the concerned Office of the SBP-BSC along-with the loan application for roll over. Compliance to this requirement shall invariably be checked by the verifying teams of the concerned office of the SBP-BSC, which shall not substitute for the normal inspection by Banking Inspection Department of the State Bank.

5. Extension in Period of Borrowing Limit

Export refinance limits sanctioned in favour of banks on the basis of financial year, are due to expire on 30th June each year. The exporters are required to submit the EE-1 statement for the next year duly verified by our Foreign Exchange Operations Department latest by 31st August. To ensure that the financing facilities are available to the exporters under EFS till finalization of new limits under Part-II, continuation of limits sanctioned by banks to exporters under Part-II of EFS for last year is allowed up to 31st August each year. The facility under Part-II is self regulating, the exporters shall require to foresee their export earnings during last year; work out their own estimate as to the quantum of their entitlement for next year and should accordingly adjust their existing borrowings on or before end June in case his performance is not up to the mark to remain within the limit to avoid utilization of excess facilities under EFS during the period of rollover which would be subject to fine.

6. Calculation of Borrowing & Performance

6.1 Calculations of Borrowing Products & Performance (Example of Excess Performance):

[Entitlement of Limit = Rs.500,000]

Period	Amount of Refinance	Number of days	Borrowing Product
1-1-06 to 25-1-06	400,000	25	10,000,000
26-1-06 to 30-6-06	500,000	155	77,500,000
Total Borrowings Product:		=	87,500,000

Total Performance Product: Amount of EF-1 x 180 = Rs.700,000 x 180 (Notional amount)	=	126,000,000
Surplus Performance	=	38,500,000

6.2 Calculations of Borrowing Products & Performance (Example of Shortfall):

Borrowings (Limit = Rs. 2 Million):

Period	Amount of Refinance	Number of days	Borrowing Product
3-7-06 to 4-8-06	2,000,000	33	66,000,000
9-11-06 to 31-12-06	2,000,000	52	104,000,000
30-1-07 to 30-6-07	2,000,000	152	<u>304,000,000</u>
Total Borrowings Product:		=	474,000,000
Total Performance Product: Amount of EF-1 = Rs. 2,000,234 x 180 (Notional amount)		=	360,032,120
Shortfall in Performance			<u>113,967,880</u>

7. Important Transaction Dates being counted for Entitlement/Performance purpose

Exports made against various transactions and the basis for taking into account the entitlement / performance under Part-II of the Scheme is given hereunder:-

Nature of transaction	The material date that is based for taking into account the performance / entitlement under Part-II.
DP / DA basis	Date of realization Entries in EE-1 & EF-1 Statements against exports made on DP/DA (Payment against acceptance/Payment against receipt of document) basis or on open account which are subject to realization of proceeds for the purpose of entitlement as also performance. Such entries are mentioned as FDBC & its Running number in the Remarks column of the said Statements
Documents / Bills under L/C.	Date of shipment The realization of proceeds of the documents drawn under L/C are legally covered in terms of the ongoing UCP arrangements and the banks who are the parties to the said letter of credit are under obligation for payment provided there is no discrepancy in the documentation. In such cases, the exporter can mention the "Date of Shipment" for the purpose of entitlement & performance under Part II and shall mark N/A in Column 10 pertaining to the Date of Negotiation. Such entry shall be marked post facto and shall be deemed to be on realization basis. Where, however, the documents are under reserve or discrepant, then only the date of realization qualifies for performance.

Discount of bill under L/C	<p data-bbox="407 159 667 191">Date of Negotiation</p> <p data-bbox="407 239 1497 541">The banks usually discount clean export bills drawn under L/C. The entries showing “Date of Negotiation” in Column 10 of EE-1 / EF-1 Statements qualify for entitlement / performance provided the proceeds there-against are realized by 30th November. Such entries are marked on “Post Facto” basis by FEOD for verification of realization of proceeds and the exporters/banks are required to submit proof of realization separately. In case proceeds there-against are not realized or not reported in Supplementary Report by that time, the relevant entry is deleted from the entitlement / performance of the exporter concerned.</p>
Advance Payment	<p data-bbox="407 621 639 653">Date of shipment</p> <p data-bbox="407 701 1497 808">Although payment are realized in advance from the buyer, however, the “Date of Shipment” is taken into account for entitlement / performance under Part II only when actual shipment is effected and such date is within the monitoring period.</p>

IV. Common Instructions under the Scheme

1. Allocation of Refinance Limits to Banks

- 1.1 The State Bank of Pakistan will make refinance available to banks in the form of either purchase / rediscount of such bills of exchange / promissory notes as are eligible for purchase / rediscount by the State Bank of Pakistan under Section 17(2) (a) of the State Bank of Pakistan Act, 1956 or as loans against such bills under Section 17(4) (c) of the Act for a maximum period not exceeding 180 days.
- 1.2 The Head / Principal / Country Office of a scheduled bank is required to lodge an application at the beginning of a financial year or as advised in this behalf by the Infrastructure, Housing & SME Finance Department, State Bank of Pakistan specifically. An overall revolving refinance limit will be sanctioned for both parts of the Scheme, by State Bank of Pakistan as per approved criteria. In case the limit so sanctioned in favour of particular bank does not suffice to meet the demand for credit from exporters, SBP may consider request from the bank concerned for increasing its maximum entitlement for limit, provided its request is covered within SBP internal criteria for allocation of limits.
- 1.3 The banks will be appraised of the revolving limits sanctioned in their favour and copies thereof shall be endorsed to the SBP BSC Offices of the area where the Head / Principal / Country Office of the banks are located. The banks will be required to indicate to the concerned office of SBP BSC, the amount(s) that it desires to draw from various offices of SBP BSC, within the overall refinance limit sanctioned to it. A bank is also eligible, at its discretion, to alter its limit at various offices of the SBP BSC during the fiscal year and to have the reallocation of the amount(s) of the limit. For the purpose, it may request the concerned SBP BSC Office for re-allocation of the limit by indicating the amount(s) to be availed from SBP BSC Office / Offices in a manner that such reallocation is within overall refinance limit sanctioned to it.
- 1.4 Banks shall be required to execute following documents (on the prescribed format) in favour of the SBP, in order to avail the refinance limit from the State Bank of Pakistan:-
 - i) Agreement with State Bank of Pakistan (Form A).
 - ii) Demand Promissory Note for the entire amount of the limit sanctioned to them.
- 1.5 State Bank of Pakistan reserves the right to cancel or reduce the limit granted by it to a scheduled bank or to reject the demand promissory note of any particular exporter submitted by the bank. State Bank will also have the right to debar any exporter if it is satisfied that it has misused the facility. Decision of the State Bank in this regard shall be binding upon banks/exporters.

- 1.6 Every scheduled bank shall submit such additional returns or furnish such information in respect of refinance cases as the State Bank of Pakistan may require from time to time.

2. Rate of Financing and payment thereof

- 2.1 The maximum rate of mark-up under the Export Finance Scheme to be charged by banks from their exporters shall vary from time to time. The current rate of mark up charged by banks from borrowers is 11.0% p.a. with effect from January 1, 2011.
- 2.2 The banks shall invariably make payment of profit on quarterly basis to the concerned office of the SBP BSC at the end of each quarter.

3. Eligible Goods & Services under the Scheme

- 3.1 All major value added commodities exported from Pakistan are eligible for financing under the scheme, except those mentioned in Negative List. Any exporter who meets the lending criteria of a bank can avail financing under EFS for export of eligible commodities.
- 3.2 With the changing business potential from Pakistan, especially the export of software/ IT related and other services, SBP has extended the scope¹ of EFS and devised special procedure² for availing finance under the Scheme against export of such services. SBP has elaborated financing against export of IT enabled services and in consultation with the Ministry of Science & Technology defined the term IT enabled services as; software development, web hosting and website services, Medical/ Legal/ Insurance and other transpiration services, Medical billing, data entry, back office processing, engineering services and design, Network consulting, remote education, Animation, Finance and accounting services, customer relationship services and customer interaction etc.
- 3.3 Financing under the Scheme is also available for consultancy services of various sectors of economy where foreign earning is remitted into Pakistan. Such sectors include; medical, pharmaceutical, engineering, accountancy, management, financial services, wholesale distribution and retail trade, transportation, storage and communication, telecommunication services, educational services and real estate consultancy services. Detailed procedure and special prescribed documents used for availing EFS facility for consultancy services are given in BSD Circular No.41 dated October 30, 2001 and PBD Circular No.26 dated July 11, 2003.
- 3.4 EFS facility can be availed for the exports of Gold Jewellery (embedded with or without precious / semi-precious stones)/gemstones/precious and semi precious stones on self consignment basis subject to adherence with the conditions as laid down under F.E. Circular No.13 dated 28th May, 1997 as well as the procedure of export of the commodity mentioned vide Ministry of Commerce Notification No.SRO/266(I)/2001

¹ BPRD Circular No.5 dated March 03, 1997

² BPRD Circular Letter No. 23 dated October 20, 1998

dated 7th May, 2001(c.f. BPD Circular No.12 dated April 7, 2003 read with SMED Circular letter No.05 dated September 11, 2006)

- 3.5 The Scheme in its broad parameters is also applicable for, i) local supplies against international tenders (detail BCD Circular No.4 dated 26th January, 1982), ii) export on Post shipment basis as also export proceeds realized under Part II against the eligible good exported for display/sale in International Fairs and Exhibitions(detail BCD Circular No.31 dated 28th August, 1982 read with SMEFD Circular No.12 dated July 16, 2009) and iv) supplies to Export Processing Zones (detail BCD Circular No.26 dated 4th August, 1982).

5. Linkage of Overdue Export Proceeds with EFS

- 5.1 To streamline the procedure for availing financing under EFS, a condition of maximum overdue exports proceeds as 5% of last year exports has been laid down for the exporters³. Accordingly, if overdue export position of an exporter is greater than 5% of the previous year's exports shown in EE-1 statements, the exporter would not be entitled to avail the EFS facility till such time that the overdue position is reduced to the 5% benchmark level. Exporters availing only the EFS Part-I facility are also required to submit the prescribed EE-1 statements.
- 5.2 Each exporter is required to give a Certificate on a prescribed Form showing consolidated position of overdue export bills outstanding against all bank(s) {as per the record of Foreign Exchange Operations Department (FEOD)}, as a percentage of the total exports of the preceding year finalized in EE-1 statements. The total amount of overdue export proceeds will be reported in PKR by applying the annual average exchange rate of the year (simple average of monthly average exchange rate published by SBP), on which the export performance would be based for calculating the 5% benchmark of overdue export bills. The Certificate should be submitted through the bank to the concerned SBP BSC office on a six monthly basis by 31st March & 30th September, each year; which will remain valid up to the next six months.
- 5.3 If an exporter becomes eligible for EFS by repatriating the proceeds to the level of 5% benchmark in the intervening period prescribed for submission of certificate, he would be allowed to submit a request along with a new certificate for availing the EFS facility.
- 5.4 Any misreporting/misstatement shall attract imposition of fine on bank/exporter at the rate prescribed under the Scheme.

6. On-site Verification of Refinance cases

- 6.1 The concerned SBP Office will undertake random on-site checking of refinance cases at banks on the financial year basis and will examine the entire documents. Verification team of SBP BSC Offices will verify at least 70% of the amounts of refinance disbursed under each part, ensuring coverage of all types of cases i-e Small, Medium and large, during the verification process. In case irregularities are pointed out involving recovery of fine on account of any default in processing of case or scrutiny of shipping documents, fines levied upon banks for such irregularities shall not be refunded. However, where such irregularities / deviations were found to have been willfully suppressed by the employees of bank the concerned institution shall be at discretion for taking such punitive actions as considered appropriate by the management of the bank. Subsequent to the finalization of the checking no claim for refund relating to modification in documents etc. from the borrower / bank will be entertained.

³ IH & SMEFD Circular No. 08 dated July 23, 2011

- 6.2 The concerned SBP BSC Office will nominate their representative officers to conduct verification of EFS cases at any particular branches of bank. The SBP BSC Office will issue a letter to the concerned bank at least 15 days prior to schedule visit for verification of EFS cases without intimating the actual date of visit to the concerned bank. The bank shall extend all possible help for the smooth checking of the cases and the officials of the bank shall co-operate with the authorized officers to carry out their work expeditiously. Such verification shall be in addition to the regular inspection of the bank conducted by our Banking Inspection Department. As such checking by Export Refinance Section of concerned SBP BSC Office, shall not absolve bank from its responsibilities under the Scheme.
- 6.3 In case of transfer of limit/performance under EFS Part-II the NOC issuing SBP BSC Office will conduct on-site verification of EE-1/EF-1 statements and relevant documents during on-site verification of the bank even if no loan has been availed by the exporter at that office/bank. Any violation observed therein will be communicated to the NOC receiving office, in order to charge fine(s) for violation(s) under the provision of EFS. On-site verification of documents against EE-1/EF-1 statements will also be carried out at bank(s) who issued NOC in favor of other banks within one centre for the purpose of transfer of exporters' limit/performance.

7. Incentives under Prudential Regulations

Under the Prudential Regulations, for Corporate/Commercial banking, exporters availing finance under EFS are exempted from certain restrictions which are available to both Direct & Indirect Exporters, as under:-

- a. In determining limit on exposure to a single person/group, pre / post shipment credit provided to finance export of goods covered by letter of credits / firm export order are not included in the exposure (**Prudential Regulations R-1**).
- b. Banks/DFIs not shall provide unsecured/clean financing facility in any form of a sum exceeding Rs. 500,000 to any person. However, clean facilities granted to finance the export of commodities eligible under the Export Finance Scheme shall be exempt from per party limit on clean facilities (**Prudential Regulations R-4**).
- c. While granting accommodation, banks/DFIs shall ensure that the total accommodation availed by any borrower from financial institution does not exceed 10 times of the capital & reserves (free of losses) of the borrower as disclosed in its Audited Accounts. Export finance shall be excluded from the borrowings for the purpose under Prudential Regulation R-5.

8. Penalties being Charged under the Schemes on account of Various Irregularities

Various Fines are charged under EFS to both borrower and bank on account of different kinds of irregularities at rates given in the following table:

Fine EFS Part-I:

S.No.	Nature of Irregularity	Rate of Fine
i)	Non –Shipment	Paisa 37 per day per Rs.1000 or part thereof
ii)	Short/Delayed Shipment	Paisa 28 per day per Rs.1000 or part thereof
iii)	Late adjustment of funds by a bank against repayment made to it.	Paisa 42 per day per Rs.1000 or part thereof
iv)	Fine for delayed submission of shipping documents by the exporters	Rs.2000 for the default and Rs.100 per day for each day of default
v)	Fine for wrong information and incorrect reporting / entry in any Statement required to be furnished to State Bank of Pakistan	Rs. 100/- per such wrong /incorrect reported entry
vi)	Fine for non-submission of EPRC by bank within prescribed period.	Rs.20,000/-, 25% of which i.e. Rs.5,000/-, would be non refundable even on late submission of EPRC.
vii)	Fine for irregular availment of pre-shipment/post-shipment export finance facility by exporters	In all pre-shipment/post-shipment loans cases where it has been noticed that shipment(s) was made before/after (in case of post-shipment) disbursement of finance, the shipment has to be treated as in order subject to recovery of fine at the rate of Rs.2,000/- and Rs.100/- per day for the period for which the refinance loan remains outstanding on the part of the bank or up to the date of factual position conveyed to concerned SBP BSC Office, whichever is earlier.

Fine under EFS Part-II:

S. No.	Nature of Default	Rate of Fine
I	Short-fall in performance	In case of non performance, fine shall be charged at the rate of Paisa 37 per Rs.1000 or part thereof (Product). However, where performance is in excess of 50% of the prescribed level, fine shall be charged at the rate of

		Paisa 28 per Rs.1000 of the shortfall or part thereof.
ii	Fine for any other default by the exporter/bank	Paisa 37 per day per Rs.1000 or part thereof, however, depending upon the nature of irregularity by the exporter and / or bank or both, in administering the Scheme, such as misuse of the facilities, utilization of the Scheme on fraudulent and or tempered documents etc, SBP may also consider to place an embargo for a period of one year on the bank and / or exporter or both for availing financing facilities under EFS.
iii	Fine for wrong information and incorrect reporting / entry in statement (EF-1, EE-1 or in any other Forms required to be submitted to SBP.	Rs.100 per wrong entry.

9. Procedures for Refund of Fine

Fines are imposed on the exporters for non-performance on account of their failure to produce evidences of shipment under Part I and performance reports under Part II within the prescribed deadlines. However, after imposition of fine, a considerable number of representations are made to SBP for refund of fine, which are not supported by the requisite and necessary documents / evidences and resulted in delay in processing of cases. In order to streamline processing of the cases involving refund of fines recovered under EFS as also to make the system more transparent, a procedure has been prescribed for refund of fine vide SMEFD Circular No.05 dated December 26, 2008, where reasons for non performance are due to unanticipated factors and beyond the control of the exporter(force majeure event).

Under the Export Finance Scheme no request(s) for refund of fine(s) shall be entertained after expiry of 3 years from the date of recovery of fine on account of various violations. (c.f. SMEFD Circular Letter No 10. dated June 29, 2010).

10. Period of Preservation of Record

- 10.1 The period of preservation of record relating to Export Finance Scheme will be 3 years in cases where no fine has been recovered or fine recovered does not pertain to non-shipment/performance provided there is no dispute between the bank and the

borrower. Banks may like to protect their interest in such cases, without putting exporter to any hardship.

- 10.2 In cases where fine has been recovered from the exporter on account of any irregularity in shipment or performance, the banks shall be under obligation to keep records of such cases for a period of at least six years.

To,

The State Bank of Pakistan,

Dear Sir,

In consideration of your agreeing at our request, to make available refinance at your discretion to us from time to time under Section 17(2) (a) / Section 17(4) (c) of the State Bank of Pakistan Act, 1956, not exceeding the sum of Rs. _____ for which amount we have delivered to you a demand promissory note in your favour, we agree as follows:-

(1) As security for the said refinance on each occasion on which we intend to avail refinance against finance extended by us, we shall deliver to you demand promissory notes acceptable to you and drawn on and payable in Pakistan based on bonafide finances provided by us to exporters on the basis of any one of the non interest modes of financing under the Export Finance Scheme and it being understood that the aforesaid accommodation will be made and continued on the faith of the truth and correctness of such certificates.

(2) We undertake that we shall not extend finance to any exporter under the terms of this agreement unless we are satisfied that all parties liable thereon are financially sound, solvent and credit-worthy

(3) We undertake that we shall at all times execute or maintain separate legal documentation and records including export order / letters of credit / standardized purchase order / inland letters of credit and further security documents, notes, bonds, agreements etc., including the assignment deed of securities now held by us or which may be obtained by us from our borrowers subsequently, as are adequate to safe guard our interest against the loan for which this agreement has been executed. We also agree and undertake to keep all such documents in trust for a reasonable period as per provisions of the Scheme. We further agree that you or any official authorized by you shall have the right of inspection of our records and documents for which refinance has been obtained by us and that you shall have the right to seek and obtain full assistance and cooperation from us for discharging your duties and performing your functions.

(4) The profit to be earned by us from the exporters expressed in annual percentage shall not exceed the rate prescribed under the Scheme, which profit shall be shared by us with you in the manner laid down in the Scheme.

(5) Without prejudice to your right to obtain repayment of the amount of refinance outstanding at any time on demand, we undertake that the refinance taken by us on each occasion will be repaid by us in the manner and within the maximum period prescribed under the Scheme. In case the exporter repays the finance earlier than the said period we shall be bound to repay to you the amount of refinance so repaid by the exporter within a period of 3 working days of the date on which the exporter repays the finance to us.

(6) Without prejudice to your rights as creditors against us for the realization of any bill of exchange / promissory note at maturity, we agree, if you so desire, to take at our expense, all steps as may be necessary to realize the money from our debtors and forthwith pay the same to you to the extent we are required to pay our obligation in the manner specified in paragraph (5) above and pending such payments shall hold the same for and on your behalf.

(7) We agree that the fact of your not taking steps to enforce payment of such demand promissory notes or any of them against the signatory or signatories thereon shall in no way release us from liability thereon and we further agree that it shall be unnecessary for you to give any notice of dishonour.

(8) We agree that in default of repayment by us on the demand promissory note executed by us or if demanded by you under the terms of clause 5 and 6 above, you have our authority not only to debit our accounts now held or which may be held here-after with you for the amount due by us against any or all of such demand promissory notes executed by us without further reference to you but also to adjust or set off such amount against any amount which may be due from you to us or come into your possession and that we undertake not to question the correctness or propriety of such debits or set off on any ground whatsoever.

(9) We undertake to advise you promptly of any change in the position of any exporter provided with finance by us under the Export Finance Scheme where-against refinance obtained from you which can reasonably be considered to affect the security of the demand promissory note hereunder.

(10) We agree that under this Agreement, the demand promissory note executed by us for Rs. _____ (notice of dishonour of which promissory note is merely waived under Section 98 of Negotiable Instrument Act, 1881), and tendered by us in terms of clause 1 above and the securities / security documents mentioned in clause 3 and shall operate as a continuing security for the said refinance and all costs, under law notwithstanding the existence of a credit balance at any time or any partial payments or fluctuations in accounts or withdrawal of any part of the security.

(11) If the exporter provided with finance by us under the Export Finance Scheme fails to utilize the finance exclusively for the purposes prescribed or effect the supplies within the period prescribed under the Scheme, we undertake to recover from him within 15 days following the date of his failure to utilize the finance exclusively for the purpose, along-with fines at the rates as may be prescribed by the State Bank from time to time. The fine so recovered will be passed on by us to the State Bank not later than three working days after the date of recovery. If we fail to pass on the fine as aforesaid you shall have the right to, (a) adjust or set off the same against any amount due to us from you, or (b) debit our accounts now held or which may be held thereafter with you.

(12) Any demand to be made by you under the agreement shall be sufficiently made if it is made in writing and addressed and sent by post or otherwise to our Head Office or our branch tendering the document mentioned in clause 1 above.

(13) We agree to obtain an undertaking from the exporter concerned that the finances provided by us to them, shall be exclusively used by them for financing exports or supplies of inputs and that they would promptly furnish, at their expense, such information, in such form and at such time as we may demand from time to time.

(14) We expressly understand that you are entitled to cancel this refinance limit or to recall the refinances at any time for any reason whatsoever or howsoever, without any prior notice to us and that you are entitled not to make any refinances anytime under the aforesaid scheme and that we have acquired no right or claim for demanding refinance from you by grant of the said lines of credit under the Scheme or by the execution of

demand promissory note in your favour or by deposit of demand promissory note in your favour or by making a loan or advance to any borrower on the faith of this agreement.

(15) We agree that all amounts received by us from the exporter/supplier for which refinance has been obtained from you shall be applied by us in repayment of this refinance to you and till so applied, shall be held by us for and on your behalf.

(16) We agree that notwithstanding anything contained elsewhere in this agreement the amount of this refinance will become due and payable by us, if we commit breach of any of the terms and conditions of this agreement. We agree that you have our authority to decide whether we have committed breach of any of the terms and conditions of this agreement and that we shall not question such decision on any ground whatsoever.

(17) We agree to hold the securities / security documents now held or which may be held by us as security for the export finance given to the exporter/supplier as trust for you so long as any refinance in respect of these advances remain outstanding from us and by way of security for due repayment thereof and we undertake to deal with the same as you may direct. We further agree that if and when we realize these securities or any part of it we shall pay over to you all such realizations, to the extent required to pay our obligation and pending such payment, shall hold the same for and on your behalf. We further agree to assign / transfer to you, at your demand and at our expense, all such securities and security documents in your favour. We agree that despite such assignment / transfer the provision of clause 8, 9 and 10 shall mutatis mutandis apply.

(18) Save as is otherwise provided in this agreement such contents of the Scheme as circularized vide BSD Circular No. 35 dated the 28th September, 2001 as modified from time to time which are relevant to this Agreement shall be deemed to have been incorporated in this agreement.

Yours faithfully,
