SOME FEEDBACK OF THE EXHIBITION

The key to developing export sales into **this largest consumer market in Central Asia** is to find the right local partners, who are financially strong, politically well connected and can use their local knowledge to ensure your success.

To meet this partner and introduce your products to Uzbekistan, we are delighted to invite your company to participate in **the Single country Exhibition, Tashkent, Uzbekistan'2012**.

Uzbekistan & Pakistan share historical relationships over the last two decades. The world has witnessed the growth and development in both countries. In 2012 Uzbekistan & Pakistan will celebrate 20 year anniversary of mutual fruitful trade relationship. Currently, volume of Pakistan's export to Uzbekistan is over \$2 billion US dollars. Overall, trade is growing safely between the two countries which is an encouraging trend.

The aim of the exhibition is to provide a highly congenial atmosphere to the Pakistan based Companies to showcase their range of products and services to the wealthiest group of Pakistan investors, who want to invest their money in the safe environment of business.

Your prompt response will be highly appreciated.

With best regards,

(K.M.A.MABUD)
