28 November 2012

Subject: Bangladesh Apparel and Textile Exposition (BATEXPO)-2012 to be held in Dhaka on 12 – 14 December 2012

My dear Chairman,

I have the pleasure of informing you that, like previous years, the Bangladesh Garment Manufacturers and Exporters Association (BGMEA) is organizing 23rd Bangladesh Apparel and Textile Exposition (BATEXPO-12) that will be held at the Bangabandhu International Conference Centre (BICC), Dhaka on 12 – 14 December 2012. The exposition would provide a golden opportunity to the Buyers and Importers to show their best products under a single roof and create opportunity to contact with desired Manufacturer and Suppliers of Readymade Garments (RMG). The three days event is expected to attract a good number of foreign buyers and importers and their local representatives. Details of the BATEXPO-12 are available at the website www.bgmea.com.bd.

We would deeply appreciate it if you kindly disseminate the information about BATEXPO-2012 among the members of your esteemed Association and encourage them to participate in the exposition.

We thank you for your support and cooperation.

Yours sincerely,

(Md. Ruhul Alam Siddique)
