Islamabad, the 24th December, 2019

Subject: IMPLEMENTATION OF PHASE-II OF CHINA-PAKISTAN FREE TRADE AGREEMENT (CPFTA)

My dear *Chairman,*

I am pleased to inform you that the Ministry of Commerce has notified the entry into force of the Protocol to amend the China-Pakistan Free Trade Agreement (CPFTA) on 1st December, 2019. The tariff concessions under Phase-II of the CPFTA shall become effective from 1st January, 2020 with significant benefits and opportunities for our exports industry. With the implementation of this FTA, China will be eliminating tariffs on 313 top priority tariff lines (copy attached), which cover over \$8.7 billion worth of our global exports and over \$64 billion worth of Chinese global imports. As per the comprehensive offer list from China, around \$19 billion of our exports will be covered, corresponding to almost \$1.6 trillion of the Chinese global imports.

2. There are 44 tariff lines amongst the top 313 lines that pertain to the hosiery and knitwear sector and include, inter alia, babies' garments, dresses, gloves & mittens, men's or boy's jackets, overcoats, shirts, trousers, briefs, tight stockings, track suits, women's or girl's jackets, overcoats, blouses, briefs, lingerie. Currently, China's hosiery and knitwear imports from Pakistan comprise about 1.4% of the Chinese global hosiery and knitwear imports. With these concessions, tariff rates for Pakistan shall be brought at par with ASEAN and especially Vietnam. This shall also give us a margin of preference over India. Further, significant share of the Chinese hosiery and knitwear market can be secured by employing idle capacity and addressing the supply constraints.

3. Let me apprise you that this FTA not only provides substantial market access for our exports but also caters towards protection for our domestic industry through tariffs on domestically produced products, more robust safeguard measures and the inclusion of a

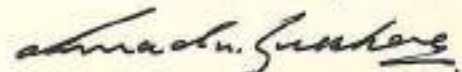

Balance of Payments clause. The Phase-II of CPFTA shall provide a level playing field and a competitive edge to our domestic producers and exporters.

4. The CPFTA Phase-II is a great feat; it took eleven rounds of intense negotiations to secure a favorable deal. We have acquired the much needed market access and I am sanguine that Pakistan Hosiery and Knitwear Manufacturers Association (PHMA) shall play its due role in enhancing Pakistan's exports by realizing the maximum potential opportunities provided under CPFTA. I would also encourage PHMA to enter into joint ventures resulting in the relocation of Chinese industry and also take advantage of the incentives provided under Special Economic Zones (SEZs) and Export Processing Zones (EPZs).

5. Kindly allow my team and me to respond to your queries and extend best possible help, wherever required.

With warm regards,

Yours sincerely,

(Sardar Ahmad Nawaz Sukhera)

The Chairman
Pakistan Hosiery and Knitwear
Manufacturers Association (PHMA)
Karachi
