

WORKSHOP ON PRODUCTION AND OPERATIONS MANAGEMENT

Pakistan Hosiery Manufacturers and Exporters Association in collaboration with BFZ-Gmbh and Small and Medium Enterprises Development Authority –SMEDA is organizing one day training workshop on PRODUCTION AND OPERATIONS MANAGEMENT. Operations Management continues to play a significant role in organizations as they struggle to deal with ever increasing complexities and challenges in our fast paced world. Business success depends on their ability to use a wide range of information to define, plan, implement, and control a variety of complex, interdependent tasks using a finite set of data and decreasing resources. Organizations must develop the critical knowledge, skill & techniques in relation to Production & Operations Management.

The roles and responsibilities of the Operations Management and approaches towards Operations Management vary, depending on the type of industry or the size of the business entity.
